To make booklet: Print booklet pages (back to back). Cut on dashed line. Fold each section in half to make crease. Open flat. Place front and back cover page face down. Then assemble booklet in number order. Staple at fold using two staples. (You might need to roll booklet cover slightly to fit under stapler.)

To use the booklet (with your own copy of the book): **First,** review the definitions of each word (below). **Next,** study the pictures in this booklet. **Then,** as you read the book, try to find a picture of each word in the artwork - not in the printed text. **Finally,** color the pictures in this booklet to review the words.

Definitions- (explain in simple terms to your child)
1. **ragalia-** the decorations or ceremonial clothes of any office or order. (example: king's crown, police officer's uniform/hat, Naval officer, etc.)
2. **banister-** a railing with any number of closely spaced supports
3. **canine-** a dog
4. **awning-** a roof like covering
5. **rabbit ears-** a television antenna with two metal rods arranged in a V shape.
