To make booklet: Print booklet pages (two sided/back to back) according to your printer. Cut on dashed line. Fold page 1 toward page 6. Fold page 3 toward page 4. Place section page 2 and 5 on top of section page 1 and 6. Staple together at fold using two staples. (You will need to roll booklet cover slightly to fit under stapler.)

To use the booklet with your own copy of the book:

First, review the definitions of each word (below).

Next, study the pictures in this booklet. **Then,** as you read the book, try to find a picture of each word in the artwork - not in the printed text. **Finally,** color the pictures in this booklet to review the words.

Definitions- (explain in simple terms to your children)
